That she is willing to fit to be at-call heads of the College is a well-known fact & in the interests of the efficiency of the Institution the sooner she decides to dispose of her absence the better. 54 It is not stated that there is any need for creating a temporary appointment for one year on Rs 500 p.m. apart from the Circs in which it is considered expedient to remove her from the Maharani's College. The proposal therefore involves unnecessary expenditure and can not be supported financially.

55 It is stated that she does not know Kanada well. In performing the work requires of her duty she should have a good knowledge of that language and this qualification she does not possess. The proposed appointment is therefore not acceptable for this reason also.

74 Under the circumstances explained in the various notes on the file regarding Miss Park's qualifications we the course most acceptable financially is to terminate Miss Park's services. We need not to hand in her and of fact have not reserved the right of dispensing with her services under circumstances like those that have arisen, suitable compensation may have to be given to her. Most this in the long run will be a cheaper course than to retain her until she earns a pension and retires voluntarily.

of 80 Miss. A Park was appointed Lady Superintendent of the Maharani's College in 1910. She is not qualified to do the work of the higher classes of the College and it is considered on the whole the best course to remove her from her present position, and employ her on work which she is most competent to perform.

Par per under disposal 81 2. The Inspector General who was requested to submit definite proposals in this behalf has suggested that Miss. Park may be placed on special duty for a year to inspect all the Girls' Schools at District Head Quarters and other places with a view to organise the Kindergarten method of instruction in the primary department of those institutions and to impart instruction to the teachers employed therein. He has also proposed that Sri K. D. Rukmaniamma B.A., may be appointed to act as Superintendent of the Maharani's College with an acting allowance of Rs.80 per mensem.

Page 14 of office note 82 3. These were considered in Council and approved.

83 Do - 15 of office note. 4. The Financial Secretary, however, says that the above arrangement is not financially acceptable, as it seems to be a case of creating work for a person rather than one of finding a person to do some work considered necessary in the interests of the State. He therefore

21

suggests the immediate termination of her services, after giving her reasonable compensation. This opinion is theoretically correct, but the advice cannot always be followed without considerable hardship to individuals and without detriment to the interests of other branches of work.

84 5. The better organisation of Kindergarten instruction is very necessary to increase the efficiency of primary education and it is better to utilise the services of one already in service rather than secure the services of another.

85 6. The proposals of the Council may therefore be sanctioned.

Office of the Inspector General of Education

D.O.No. 294. in Mysore, Bangalore, 4th September 1914.

My dear Mr.Balasundaram Iyer,

With reference to your D.O.No.1091 dated 14th April last and two subsequent reminders saying that Miss Park is not in the opinion of Government suited to be at the head of the Maharani's College and calling for my opinion, I beg to state that from the past records I find that Miss Park was doing teaching work for some hours in the High School Department, but of late she has given up this work also, and has only the general supervision of the institution. This work by itself is not sufficient to give full or serious occupation for any length of time and the reorganization of the Maharani's College lately sanctioned by Government has transferred several of the Primary Classes to new schools to be established which has considerably reduced the work of the Primary Classes Division. Miss Park's attainments in the higher branches of knowledge are meagre and even if she is asked to resume work in the High School Classes there will not be enough work. In these circumstances, her proper place is an Inspectress of Schools, if she improves her knowledge of Kannada language. She is able to introduce kindergarten teaching into all the Girls' Schools in the State, being the holder of a proficiency certificate in kindergarten. I think therefore that Miss Park may be relieved of her work as Lady Superintendent and put on special duty for a year to visit all the important Girls' Schools in the State and introduce systematic kindergarten teaching in them. This opportunity may also be utilized by her to improve her knowledge of the Vernacular language and at the end of the year, if she is found qualified, she may be appointed Inspectress of Schools. In the meanwhile she may be allowed to live in her own quarters at

60

at Mysore, if she prefers, and draw the pay she now gets. Sri Rukminiamma may be appointed to act as Lady Superintendent and during the time she has acted as Lady Superintendent in the past, I have found her work eminently satisfactory. There need be no extra cost incurred as the existing Budget provision will meet the extra charges, if any.

Yours sincerely,

M. Shivarama Rao
